JUVENILE  
ADMINISTRATIVE  
ORDER  
#2003- 026

In order to protect, and provide for the mental health and well-being of, juveniles who are detained in the Maricopa County Juvenile Detention facilities, the following administrative order is entered:

IT IS HEREBY ORDERED that MEDPRO, through its contracted psychiatrists, is authorized to provide mental and behavioral health services to detained juveniles, including but not limited to the following:

1. Psychiatric evaluations and diagnoses.
2. Direct psychiatric care and / or biological treatment of detained juveniles as deemed medically and psychiatrically necessary.
3. Individual / group psychotherapy and / or counseling.

IT IS FURTHER ORDERED that during the course of the juvenile's detention, MEDPRO is authorized to provide other mental and behavioral health services, on a non-emergency basis, as deemed medically and psychiatrically appropriate;

IT IS FURTHER ORDERED that medical treatment records shall be maintained in a manner consistent with professional standards, state and federal law. Information from treatment records may be shared, at the discretion of the treating psychiatrist, with Juvenile Court staff, and other medical or mental health professionals in a manner consistent with professional standards.

DONE on December 5, 2003.
